World Bank Publications, United States, 2014. Paperback. Condition: New. Language: English. Brand new Book. Light Manufacturing in Vietnam makes the case that, if the country is to continue along a rapid economic growth path and create jobs, it must undertake a structural transformation that can lift workers from low-productivity agriculture and the mere assembly of imported inputs to higher-productivity activities. Vietnam needs to address fundamental issues in the manufacturing sector that, until now, have been masked by economic growth. The...
